Please give us an opportunity to be in your publication during the month of December about Michael Gilmore as a Floragraph Honoree on the Donate Life Rose Parade Float!

Michael Gilmore was a fun-loving, carefree, outgoing 24-year-old. In April, 2010 police discovered him dead of a gunshot wound and are still searching for the killer. One of Michael's journal entries read, "The meaning of my life is to help others... I was put here to help people some way or somehow." Before he got his driver's license he told his mom he was going to be an organ donor. "Why shouldn't I? I won't need them" he told her. Michael's legacy will continue to live on through the donation of his vital organs, giving others another chance at life.

We can also discuss one or two of Michael's recipients: Sammy Robinson - Michael's heart recipient (Hughes, AR) Verna Harris - Michael's kidney recipient (Memphis, TN)

Thank you for helping us save lives!

Sammy Robinson, Michael's heart recipient with Kareisha Gilmore (Michael's sister)

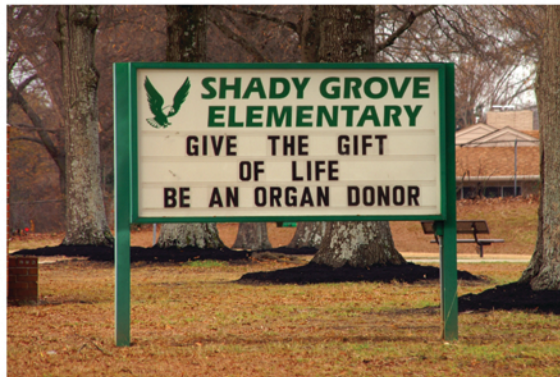

Verna Harris, Michael's kidney recipient

Please call Randa Lipman, Manager Community Outreach, Mid-South Transplant Foundation at 901-328-4455 or 901-289-9871 to set up an interview. I look forward to hearing from you.
