*NOTE: Float Decorating spaces are limited. Selecting a shift above does not guarantee your participation. When deciding whether to sign up for decorating, please keep the following in mind:

- Float decorating is long, hard work in a potentially dangerous environment.
- The minimum age for float decorating is 13. Families with younger children should choose the Tour of Rosemont Pavilion as an alternative.
- All decorators are required to report to decorating on time and stay until dismissed by the crew chiefs. Shifts are typically 7-8 hours including a meal break.
- If you have any hesitation regarding spending seven hours inside a cold barn on a beautiful Southern California day, decorating may not be right for you. Instead, opt for the tour or an excursion.
- For detailed information regarding what decorating entails, please review the Volunteer Guidelines: http://www.DonateLifeFloat.org/prod/components/join_us/volunteers/vol_guidelines.html
