

DONATE LIFE FAMILY CIRCLE
ROSE DEDICATION PROGRAM

DEDICATE A ROSE

A rose is a symbol of love, loss and renewal. It represents something different to every family; to some it is hope, to others it is grief and to still others it is gratitude.

The Donate Life Family Circle Rose Dedication Program offers all families touched by organ and tissue donation the opportunity to honor their loved ones by dedicating a rose that is tagged with a personal message and placed in the Family Circle Garden on the Donate Life Rose Parade® Float. Each holiday season, Donate Life’s annual float entry in the Rose Parade inspires tens of millions of people nationwide to save lives as organ and tissue donors.

WHO CAN PARTICIPATE?

Families touched by donation:

Any family or individual who has been touched by organ and tissue donation and transplantation can dedicate a rose on the Donate Life Rose Parade Float to bear the name of someone who has given, received, awaits, or died while waiting for the gift of life.

Donation Partners:

The program for donation partners is designed to offer hospitals, transplant centers, organ and tissue recovery organizations, coroners, funeral homes and dialysis centers the opportunity to honor donor families, recipients and candidates for transplant. For more information about how your organization can participate, visit www.donatelifefloat.org.
